## Reading Comprehension

I'm Carl. I'm an English teacher and I have a big family, so I have a very busy daily routine. First, I get up at six o'clock, get washed and dressed and leave for work at seven-thirty. I get to school at eight o'clock. I prepare my lessons and then I teach *until* noon. The other teachers and I *always* have lunch and talk together in the teachers' room. I teach again *in the afternoon* and then I correct my students' home work and tests. After I get back home, I help my kids with their home work. I have three kids in elementary school – Mathew, John and Susie. Then I do some exercise, eat dinner with my family and watch TV before I go to bed about ten o'clock. We love to watch travel shows. I read in bed for a few minutes *before* I fall asleep.
